Pre-Class Mise en Place & Notes

You will find what you need to do prior to class for prep below.

Prior to Class Prep:

- Shop for items on the pages that follow.
- Check that you have all necessary equipment available to you.
- You will need room in your fridge or freezer so be sure you have some space available day of class.
- Watch any recipe videos prior to starting the class.
- Prep all your ingredients for any recipes prior to class. This will make it easier to follow along and ensure that you do not fall behind. You can pre-measure into ziplock bags or Tupperware or glass measuring containers.
- Be sure to have something handy to take notes on. If you have questions about the class be sure to jot them down and post them in the forum after class for answering or email michele@epicdelights.com with your questions.

See you in class!
