

# *Green Beans with Bacon*

## Variations

Substitute uncured turkey bacon for the bacon.

## Directions

1. Fry the bacon in a large cast iron pan until crisp.
2. Remove bacon and drain the fat out of the pan.
3. Add the chopped onion and sauté until caramelized.
4. Add the green beans and crispy bacon.
5. Simmer until green beans are tender.

## Ingredients

- 1 pound bacon, chopped
- 1 large sweet yellow onion, chopped
- 2 pounds fresh green beans
- Salt and pepper
